

TRUTH TWISTER

Jim Gubler tries twisting the truth to win.

**Some people never learn. It's better to tell the truth.
It's mandatory when you are running for judge.**

Jim Gubler was taken to task by respected Review-Journal columnist Jane Ann Morrison for misrepresenting Suzan Baucum's position.

Morrison writes, "Naturally, I checked it out." She says Baucum's endorsements are "clearly stated...but voters won't know that from Gubler's indignant mailer."

Morrison concludes with a warning: "Half-truths are the name of the game...so view every mailer with skepticism."
