BAUCUM

has a commanding lead in endorsements.

**In the race for Las Vegas Justice of the Peace, Department 13,
the support for Suzan Baucum is overwhelming.**

Southern Nevada organizations and publications agree: Suzan Baucum is the best choice.

"The energy and demeanor of Suzan Baucum, who recently retired as director of the Nevada Law Foundation and now hears between 50 and 75 court cases per day as a judge pro tem in three different municipal and justice courts, make her a better choice than James Gubler."
